Columbus, Ohio

The 28th International Review of Progress in Applied Computational Electromagnetics

April 10-14, 2012

Columbus, Ohio

Sponsor & Exhibitor Information

The Applied Computational Electromagnetics Society (ACES) Conference is soliciting sponsors and exhibitors for our 2012 event. During the past several years, computer modeling and numerical methods have been rapidly maturing as essential problem solving tools for most electromagnetics applications. ACES is *the international, interdisciplinary professional society* for this technology. It was formed in order to promote information exchange among computational electromagnetic practitioners – both users and developers. While in its 28th year, ACES has grown to nearly 600 members from over 30⁺ countries. Our conference is comprised of technical sessions, short courses, training sessions, interactive poster sessions and computer demonstrations, and vendor exhibits. Over the past few years, we have had approximately 300 or more attendees at the ACES Conference.

You will find the format of our exhibit show especially designed to maximize your connectivity and minimize your costs. The exhibits will be held on Wednesday, April 11th, through Friday, April 13th, from 8:00 AM until 5:00 PM in the main exhibit area. Exhibitor's booths include a skirted table, two chairs, access to electricity, and internet. A more detailed description of the provided materials is given in the Exhibition Rules and Regulations will be sent to interested parties.

Platinum Level (US\$4,000 and above)

- Company exhibition space (10'X10') in the exhibit hall with two free **full** registrations. · Recognition in the ACES conference program and in ACES conference CD. · Company name and logo on ACES website with a link to the company website. · Full-page ad space in ACES conference program and in ACES conference CD (ad supplied by the company). · Logo and company name on social event tickets if sponsored individually. · Mention in opening speech at the awards banquet. Small agreed-upon item provided by the sponsor to include in conference registration packet (e.g., pen, document carry-all, tote bag, mug, etc.) Additional personnel from the same sponsor can participate in all ACES technical, social, and meal activities after registering at the rate of 50% of the regular rate.

Gold Level (US\$3,000)

- Company exhibition space (10'X10') in the exhibit hall with one free **full** registration. · Recognition in the ACES conference program and in ACES conference CD. · Company name and logo on ACES website with a link to the company website. · Full-page ad space in ACES conference program and in ACES conference CD (ad supplied by the company). · Mention in opening speech at the awards banquet. Additional personnel from the same sponsor can participate in all ACES technical, social, and meal activities after registering at the rate of 50% of the regular rate.

Exhibitor (US\$1000)

- Company exhibition space (10'X10') in the exhibit hall. Recognition in the ACES conference program and in ACES conference CD. · Company name and logo on the ACES website with a link to the company website. · Mention in opening speech at the awards banquet. Exhibitor personnel can participate in ACES technical, social, and meal activities after registering at the rate of 50% of the regular rate.

We are very excited about our Society's growth. At the ACES Conference, you will have an opportunity to connect with individuals leading the way in computational electromagnetics and to influence a growing and interactive group of technologists. Please notify us of your wish to participate well in advance as the number of available slots for exhibitors will be filled on a first come, first served basis. Please feel free to contact us to arrange for an exhibit. We hope to see you in Columbus, Ohio !!
