PATRON SPONSORSHIP PROGRAM

The 26th International Review of Progress in Applied Computational Electromagnetics (ACES 2010)

In conjunction with RFIDay 2010

April 26 – April 29, 2010, Tampere, Finland

Each year the ACES Conference organizing committee seeks companies that are interested in participating in our annual Patron Sponsor Program. This Program allows companies the opportunity to advertise their support for the Applied Computational Electromagnetics Society and its conference events and functions. This serves several purposes: it provides an important value added component to the conference by emphasizing the joint cooperation between commercial industry and the ACES community; it enhances the number and quality of functions held during the ACES Conference, and it provides an opportunity for industries to advertise and increase their visibility within the ACES community and other organizations. Events and functions for which sponsorship will be used include, but are not limited to:

- Opening reception
- Coffee breaks
- Wine and Cheese – Poster session
- Technical demonstrations
- Awards banquet
- Gifts to conference attendee (which may carry the sponsor's logo) such as bags, pens, etc.

Several flexible options exist in a wide range of sponsorship levels. We are happy to explore these opportunities with you. Patron packages and sponsor options are as follows:

Platinum Level (US\$4,000 and above)

- Company exhibition space in the exhibit hall with two free registrations.
- Recognition in the ACES conference program and in ACES conference CD.
- Company name and logo on ACES website with a link to the company website.
- Full-page ad space in ACES conference program and in ACES conference CD (ad supplied by the company).
- Logo and company name on social event tickets if sponsored individually.
- Mention in opening speech at the awards banquet.
- Small agreed-upon item provided by the sponsor to include in conference registration packet (e.g., pen, document carry-all, tote bag, mug, etc.)

Gold Level (US\$3,000)

- Company exhibition space in the exhibit hall with one free registration.
- Recognition in the ACES conference program and in ACES conference CD.
- Company name and logo on ACES website with a link to the company website.
- Full-page ad space in ACES conference program and in ACES conference CD (ad supplied by the company).
- Mention in opening speech at the awards banquet.

Silver Level (US\$2000)

- Recognition in the ACES conference program and in ACES conference CD.
- Company name and logo on the ACES website with a link to the company website.
- Full-page ad space in ACES conference program and in ACES conference CD (ad supplied by the company).
- Mention in opening speech at the awards banquet.

Associate Level (US\$1000)

- Recognition in the ACES conference program and in ACES conference CD.
- Company name and logo on the ACES website with a link to the company website.
- Mention in opening speech at the awards banquet.

Please consider one of the sponsor levels above and make the most of your participation at the 2010 ACES Conference.
